BOOK SPREADS THE TRUE MEANING OF CHRISTIANITY

Strategic Book Publishing & Rights Agency is pleased to announce the release of its newest title, *Lies / Mentiras: The Bible never lies / La Biblia nunca miente*, by author Agustin S. Contin.

About the Book

The most important lies about Catholicism are refuted in this book – not by the author – but by the Bible and the Gospels!

For centuries, the Catholic Church has been teaching lies to its followers. Catholic clergymen pretend to be "representatives of God," having the power to forgive the sins of other men during confession. They claim to be able to transform the host, providing wafers and wine to represent the body and blood of Jesus Christ, and the faithful eat and drink it as cannibals. Priests say their mass is a repetition of the sacrifice of Jesus on the cross, when Jesus died and resurrected almost 2,000 years ago. Yet God forbids us to communicate with dead people, so why would the church want Catholics to accept the great number of "saints" and "virgins" who are dead people?

It is time these lies are exposed and that true Christians learn to depend on the words of the Bible, not the words of priests. Remember, *The Bible never lies!*

About the Author

Agustin S. Contin has taught the Bible for 37 years in several Christian churches. His references are taken directly from the Bible, giving priority to the speeches of Jesus Christ, and not to the words of man. He asks readers to think about this book with an open mind and open themselves to the wonderful God of love. The author is originally from Basque country, now occupied by France and Spain. He is also a proud American citizen.
