

**FOR IMMEDIATE RELEASE**

**Young Woman Seeks Her  
Destiny in Magical World  
Where Most Anything Is Possible**

Science fiction. Fantasy. Magic. Witchcraft. Young readers and adults alike will be enthralled with the magical novel *Witch: Rise of the Nine*.

Working on an ambulance while advancing her medical education to become a paramedic, Aurora Alexia Spellman spends her free time with a small group of Wiccans. One night she meets a young man named Lee, who helps her get away from an ex-boyfriend who will not leave her alone. Set in the distant future on planet Earth, Aurora believes she is an ordinary person, but that is definitely not the case! Aurora has been hidden away from her own world for her own protection. But now that she has come of age, her life is about to change.

Her new friend Lee introduces Aurora to Seth Knightwing, leader of the resistance. After she returns to the magical Realm, the two realms start to merge. Several magical cities are destroyed, while other cities return to both realms, throwing the non-magical folk into chaos. The Core system regains access to the rest of the galaxy as the merger continues. Aurora finds she is one of the remaining Nine Princesses of the Core. She and other resistance members look for the remaining descendants so there can be a *Rise of the Nine*.
