Romantic Suspense Novel Begins One Fateful Night ...

Because of the Secret, six teenagers' lives are torn apart one fateful night. This intense novel follows what happens over the next 10 years as they learn to live with their secret.

The implications of the incident they all played a part in and the outcomes of the event will engulf them, plague them, and mould them into people they never thought they would be. Fear and worry will consume them, death and sadness will destroy them, and life and love will envelope them. The events of that night will rip them to shreds, and in trying to hide the truth, they are pulled apart from the inside out.

Sebastian, Charlotte, Tarni, Kyle, Rebecca, and Zoe are normal teens when their whole world is turned upside down. Their journey will become yours as you share in their joy, loves, and grief for their dreadful losses. You will be drawn in and touched as these young people try to survive while keeping a secret that touches them to the depths of their souls, and playing out lives derailed *Because of the Secret*.
