Memoir Reflects on Author's Religious 'Journey to Peace'

Strive to Be Satisfied: My Journey to Peace points to the author's personal roadmap for winning in life, no matter what the situation.

Celestine Washington speaks about her own trials and tribulations on the path she has traveled. As readers join her and take the journey from turmoil to peace, they will see that by letting go of negativity and accepting Jesus Christ into the author's heart, she was able to find true happiness. Her book tells how to apply God's basic principles of love and faith to reap the peace that God offers, as well as the rewards that can be gained in that transformation.

She says, "I wanted to tell my story, but in a way that people could be blessed by it. When I finished, I felt like I was purged from all the hurt and pain from those incidents. I cried a lot as I was writing some of the chapters, but now I can talk about them as if they happened to someone else. I teach and preach the Word of God to anyone who will listen."

"This memoir details one woman's transformation by her relationship with God. We are thrilled to

announce its release," said Robert Fletcher, CEO of Strategic Book Publishing and Rights Agency.
