Learn About the History Makers, From the Bible to Modern Day

The word Sheol comes from the Bible and is the Hebrew word for hell. *The People from Sheol* is a continuation of the author's first book, *The Real Michelangelo Code*.

At the beginning, the book reveals the truth about our planet according to time and space, so we can understand the mystery of creation. It also tells of the people both good and bad, who have influenced the path of history throughout the ages, including history makers from our own time.

The book's 19 chapters describe biblical issues until the revelation, and modern day issues like 9/11 and the election of the new pope. The book admonishes, "*Fear not the people who can kill your body, but rather fear the people who can kill your soul!*"

THE PEOPLE FROM SHEOL: "FEAR NOT THE PEOPLE WHO CAN KILL YOUR BODY, BUT RATHER FEAR THE PEOPLE WHO CAN KILL YOUR SOUL!" (ISBN: 978-1-62516-759-0) is now available for \$11.50 and can be ordered through the publisher's website:
