#### ***Stunning Novel Travels Through Three Lifetimes***

*Cristo by Cristo* is a timeless mystery for the ages. In it, Cristo travels through three lifetimes as Lord, admiral, and actor.

From the first mention of the name Cristo 2,000 years ago, to the New World, and into the future, this name appears in historical fiction to lead the way into the Next World. Cristo is the same actor who plays Christ; he is an admiral of the ocean seas; and he is a Shakespearean actor. His is a soul that suffers the test of time to reveal himself and the secrets that led him to the Next World.

From sainthood to evil to Buddhahood, Cristo demonstrates that life and death is made easy for the common man so he can grasp the mystery of the ages. This Don Quixote-like character reaches back

in time so he can dream up the future. If you are ready for true enlightenment, this timeless novel will lead the way.
