## FOR IMMEDIATE RELEASE

### Children's Book Features a Skunk With a Nose for Adventure

This charming children's story teaches some important lessons in friendship as well as facing danger. It also gives reasons for listening to Mom. The story's educational value comes through learning about the strengths and abilities of different animals. And what an animal Nuzzels is!

*Nuzzels the Nosey Skunk* follows a young skunk that loves adventure. Nuzzels goes against his mother's wishes, as well as the advice of his siblings, when he leaves the safety of home to visit the forest.

The skunk meets several new animal friends, including a buzzard, a deer, and a beaver. When Nuzzels gets lost, he needs help from his new friends to get home. He should have listened to Mom!

**About the Author:** Finis Jones has been a storyteller all his life. Born in 1929 on a farm in Honey Grove, Texas, he currently resides in Magnolia, Texas. This is his first book.
