**A Memoir: Looking for Love  
From a Mail Order Bride**

Can you find love over the Internet with a foreign pen pal? *The Private Memoirs from a Chinese Love Agency* answers that question and more.

Author Gabriel Tiamo works in a gold mine that's more than 1,000 miles from Perth, Australia, where he lives. His work schedule is two weeks straight at a hot and dusty job, and then one week off. He enjoys his job, because the other guys are friendly and "the food is just out of this world!" He has everything going for him but one thing: a woman to share his life with. After his partner's death two years before, he joins a Chinese love agency searching for the right woman. Every night, Gabriel anxiously checks his computer to see how many ladies have written.

His fascinating book follows the correspondence he receives, and then takes you along on a trip to China to visit one special lady. *Private Memoirs*

presents a heartfelt search for a partner to share the twilight years of the author's life. Join Gabriel as he searches for love in all the right places.
