# ***The God Illusion and Upon This Rock: God, how great thou art, I love you, XX***

*The God Illusion and Upon this Rock* is the sequel to Joanna Fleur O'Neill's first novel, *The heat of love in a bar*.

*The God Illusion* sees Joanna set off on her travels once again. This time she doesn't go to see Patrick in Spain, but instead visits the Rock of Gibraltar.

In the hospital there, Joanna encounters a young man named Joseph, who has unusual God-given powers. She recounts the story of their encounters until they reach a tragic conclusion.

Readers get a glimpse of life on the Rock, and how Joanna came to meet her "gentle, dark and unobtrusive stranger, soon to be boyfriend, partner and much loved husband James."

There is also a flashback of her Russian experience with Vitaly. Joanna proves to be a rock of strength to cope with the myriad tricks Vitaly directs her way.

This compelling and lively story reaches its climax when God and the power of love triumph.
