Become inspired, realize your potential, and live the American Dream, all by reading this book! Writer and motivational speaker Krish Dhanam's guide will become an invaluable resource for anyone searching for a dream and wanting to realize their true potential.

The powerful self-help book *The American Dream From An Indian Heart* is about accomplishing goals. Through hard work, perseverance, and seizing opportunities, Dhanam began his journey to America after receiving his master's degree in India. In the late 1980s, he won a sales contest that earned him a ticket to a seminar led by legendary motivator Zig Ziglar. Dhanam began working for the Zig Ziglar Corporation as a telemarketer; he became vice president of training for Ziglar Worldwide, and then director of international operations for Ziglar Training Systems.

*"There's a lot to learn from Krish Dhanam in his book *The American Dream from an Indian Heart*. The lesson that appeals to me most is to develop and maintain a vast appreciation for what you have both in potential opportunities and reality. Krish helps us realize how truly blessed we are to live in America."* – **Tom Hopkins, author, *Master the Art of Selling***

"Read this book to be inspired in your heart ... and to be motivated in your soul ... and to be determined to accomplish your dreams!" – **Nido R. Qubein, president, High Point University**
