

FOR IMMEDIATE RELEASE

Preserving the Lives of Terrorists Takes Strength, Courage and Sacrifice

Saving Grace at Guantanamo Bay: A Memoir of a Citizen Warrior is the true story of working detention and medical duty with the Joint Task Force 160 U.S. Naval Station in Guantanamo Bay, Cuba, from February to June, 2002.

U.S. Army Reserve Captain Montgomery J. Granger found himself the ranking Army Medical Department officer in a joint military operation that was like no other before it. His job was taking care of alleged terrorists, just months following the events of September 11, 2001.

Granger and his fellow reservists ended up running the Joint Detainee Operations Group at Guantanamo Bay's infamous Camp X-Ray. In his moving memoir, Granger writes about the effort it took to leave his family and job back home, only to face tremendous emotion and hatred against the inmates he was charged to protect.

With the supportive love of his far-off family, Granger finds a way to keep his sanity and dignity intact. *Saving Grace at Guantanamo Bay* is his powerful story.

“Hard as it is to believe, one of the most significant stories of the post-9/11 age is also one of the least known – life at Gitmo, the detention facility for many of the world’s worst terrorists. Few individuals are more qualified to tell this story than Montgomery Granger, a citizen soldier, family man, dedicated educator, and Army Reserve medical officer involved in one of the most intriguing military missions of our time. *Saving Grace at Guantanamo Bay* is about that historic experience, and it relates not only what it was like for Granger to live and work at Gitmo, but about the sacrifices made by him and his fellow Reservists serving around the world.” – **Andrew Carroll, editor of *The New York Times* bestsellers, *War Letters* and *Behind the Lines***

About the Author:

Montgomery J. Granger is a three-time mobilized U.S. Army Reserve Major (Ret.) who resides in Long Island, N.Y., with his wife and five children. He is the author of *Theodore*, a personal narrative published in the 2006 Random House wartime anthology, *Operation Homecoming: Iraq, Afghanistan and the Home Front in the Words of U.S. Troops and Their Families*.
