## FOR IMMEDIATE RELEASE

## Read a Civil War Soldier's Touching Letters to His Family

*Now Available in Paperback!*

What would a soldier write to his loved ones back home? What if that soldier was a Yankee fighting in the Civil War? And what if he never returned?

*My Dear Wife and Children: Civil War Letters from a 2nd Minnesota Volunteer* offers a poignant look into that dark period in American history, when brother fought brother, and father fought son. These powerful, historical letters provide a fascinating insight into the everyday experiences of a common soldier fighting in the 1860s.

Author Nick K. Adams introduces the letters written by Corporal David Brainard Griffin of Minnesota, who left his family in 1861. His correspondence to his wife and young children continued until he perished in the Battle of Chickamauga in 1863.

These letters were Griffin's last mementos his family had to remember him by. One hundred of them were preserved and handed down over the past 150 years.

His great-great-grandson, the author, now presents further generations a wonderful legacy that will keep these letters alive forever.

**About the Author:** Nick K. Adams is a retired elementary school teacher, an avid Civil War re-enactor, and historical speaker who lives in Washington State.
