# ***Tana-Waka: Book One of the Tana-Waka Series***

The Foothills Tribe has festered with evil in its midst for generations. War with the Timber people has taken a heavy toll. In a mountainside temple, the tribe chants for days. In desperation, they call upon the legend of their people to save them from extinction.

A dying man from a dying planet returns to the roots of his Native American ancestors. Tana-Waka is called by the Foothills Tribe over space and vast distances to a land where two powerful tribes must again become one people, or their wars will cause their own extinction.

In the first book of the *Tana-Waka Series*, Tana-Waka is summoned from his withering planet Earth to another world to end an ongoing war and unify enemies who were long ago one people.

Tana-Waka awakens in a world with two moons. He is only a man, but his link to the forest spirits is an old one. His power is in his ability to see the souls of people, and his strongest weapon is his knowledge from the fading memories of his former world, as well as his ability to dream.

Legend says that he alone possesses blue eyes, power over animals, a mastery of warrior tactics, and an unmatched ability as a diplomat. Aided by the healer Mahanee and Tewani, the chief's beautiful daughter, they try to forge a new path for the people before it is too late.
