The Sci-Fi Fantasy Adventure of the Ages!

“R.J. DeNardo is a new tour de force upcoming author.” – Terry Lee Palmer, artist

This sci-fi fantasy gives a whole new meaning to the word “inter-sexual.” Emrys Myrddin Calyx was born aboard the Starship Americus to a weak-willed and somewhat frail Earthling father and a black panther-like humanoid, Myrddissian mother. Emrys was created experimentally to be double-sexed, and can change sexes at will, via a telepathic command.

The Andromeda Incident (or Out of Chaos Comes Hope!) tells all about the mixed-up life Emrys lives, and his adventures and misadventures in the 12th and 21st centuries.

Wander the universe with Emrys as he uses a time/space continuum device to journey to the devastated planets of Mars and Earth,

just before both human and alien-caused cataclysmic events occur. This startling adventure was 900 years in the making!

About the Author: *The Andromeda Incident* is R.J. DeNardo’s first novel. In 1990, he self-published a small book of poems and accompanying black-and-white photographs of Key West, Florida, where he lived for four years. This book is the culmination of a nearly one-year effort to develop it from a short story to a full-length novel. He is currently writing his second novel, a sequel to *The Andromeda Incident*, titled: *The Captain’s Propensity*. The

author is a professional wholistic therapist who lives and practices in Palm Springs, California.
