

## FOR IMMEDIATE RELEASE

### **If You've Got Questions, the Bible Has Answers!**

*What We All Been Missing* tells the author's story of his experiences at church as a kid and the factors growing up that built him into the man he is today. His journey can help other young people find answers!

Is there something missing in your life? Perhaps the missing factor is the faith and guidance you can find by building a personal relationship with God. All his life, Rodney H. Lewis found his own way of interpreting the Bible. "No one I knew ever looked at the Bible the way I did; most people don't read it." He is now sharing his belief of *What We All Been Missing*.

He discusses all the questions he had growing up, and a lot of the answers, people still have trouble answering. Rodney seeks the truth, to show that getting close to God can allow you to see the world

differently and get a better understanding of reading the Bible. By writing this book, the author "wanted to connect with God and help others do the same."
