**FOR IMMEDIATE RELEASE**

**A Mother's Memoir Describes Living With Special Needs Children**

Susin W. Peterson's unforgettable memoir is part autobiography, self-help guide, and diary. Her informative book expounds on the challenges of caring for a child with special needs.

*I Did Not Order This!* is the true story of the author's struggles with her daughter's care and the financial problems that followed. She explains how God taught her the compassion and empathy needed to parent without any formal skills. Hers is a story filled with suspense, faith, uncertainty, love, and lessons learned. It is also about how hope can be found through family, friends, and prayer.

She discusses problem solving, self-reliance, and how life continues even after death. Her most important message is how to live with purpose.

"This book outlines what it's like to live with a special needs child. We are most pleased to announce its release," said Robert Fletcher, CEO of Strategic Book Publishing and Rights Agency.
