South African Boy Dreams Big in Uplifting Children's Adventure

Doesn't every young child dream of what he or she could accomplish in the world? In this insightful children's book that takes place in a small African village, one boy dreams of what every little boy in the world wants for his life.

Ten-year-old Joseph is an orphan who lives with his aunt and uncle on a small farm in Kwa Zulu, South Africa. He dreams of a wonderful future, but doesn't know how he will make his desires a reality.

This little boy takes his family's sheep out to graze on Inkwelo Mountain and finds himself chasing a jackal pup that has also been orphaned. The events that follow test his courage and determination, and show everyone that he did the right thing. In the end, he faced his fears and triumphed, earning respect and making his dreams come true.
