FOR IMMEDIATE RELEASE

**Not All Vampires
Are Created Equal!**

Picture Romeo and Juliet as vampires! Will you know what is real and what is not, in the stunning new vampire series *Strigoi*? You decide!

Readers will get a glimpse at the various types of vampires populating different parts of the world, and will learn their traits and their almost human motivations. With love, death, power, magic, and loyalty abounding, journey along to find out just how human these creatures are. As much as this story has to do with the star-crossed love of a man named Lane and his soul mate Renata, it also has much more to offer. Genre fans will thrill at the action, suspense, and drama.

Strigoi poses some interesting questions: Who should be chosen to live forever and why should they be given such an opportunity? What sacrifices do vampires make in order to walk the Earth for all time? Explore the world of the vampires through

these characters' eyes, but remember, not all vampires are created equal.
