Melodic Writing That Sings in a Symphony of Verse

Yherlisa Jimenez believes it's not what you say; it's how you say it. And it's the same with life: It's not what you see; it's how you see it.

Her philosophy makes for fascinating reading in her new book *Symphony Lirr*. Writing since she was sixteen, she realized that God inspired her to write a story that could be a book. In 2012, she met a couple and wanted to give them something special, "So I wrote different verses for them about our relationships. After a month, God spoke to my soul and I started writing proverbs, or wisdom verses. It changed my life and perspective, and I felt reborn."

She adds, "Every time I read my book I feel peace and new ideas come to mind, allowing me to see life from different angles. God is and was my inspiration since the beginning."
