**FOR IMMEDIATE RELEASE**

**Exhilarating Poetry Considers the Important Questions in Life**

Given the cherished appeal of love letters, this brilliantly written poetic collection of stories make the heart sing and brings hope to a world that has not yet achieved peace.

These power-packed poems transform the negative into the positive. They awaken the senses, excite the mind, and expand one's awareness with new perceptions of the environment and the wider world. *Our Highest Priority: Embrace Courage, Abandon Fear* offers a foundation of thought that's both innovative and original. Illuminating and timeless, the words capture the essence of daily life with its complication and simplicity, showing that "the world functions on a vision of hope." This suggests there are no dead ends and that only perseverance produces results.

The poetry inspires courage, builds confidence, and quickens the desire for action in a world where dreams do succeed. This is an attitude changer, intended to energize self-image and to motivate,

while freeing one's imagination to *Embrace Courage* and soar.

"This stirring collection of poetry is indeed an attitude changer, as it seeks to make the world a better place. We are thrilled to announce its release," said Robert Fletcher, CEO of Strategic Book Publishing and Rights Agency.

**About the Author:** Marva A. Smith grew up in Barbados, emigrated to Canada as an adult, and currently lives in Toronto. She wrote these poems to find answers to questions she was asking herself, including what is the purpose of this life? Why do we live the way we do and make choices the way we do?
